

Dear Angevine Middle School Families,

I hope everyone is having a good evening.

I am reaching out to you tonight to let you know that we will have a substitute teacher working with some of our PE classes for the time being.

While I cannot share much information, following an incident today at school, Ms. Smith was placed on paid administrative leave. We are working closely with our partners at the Lafayette Police Department. We believe in due process and therefore ask that everyone respect Ms. Smith's privacy at this time.

We are dedicated, as always, to supporting our students and ensuring that we have qualified educators working with them during their physical education time.

Thank you for your patience and support. Please let me know if you have any questions or concerns.

Sincerely,

Mike Medina
